

The Buckeye State Feis

April 24th, 2010. Veteran's Memorial

Hello, and welcome to the 2nd Annual Buckeye State Feis! We are delighted to have all our competitors and their families with us today. It is our hope that you will have an enjoyable visit in Columbus and we wish all of our competitors the best of luck!

The Buckeye

Ohio is considered the "Buckeye State" and the buckeye nut is the mascot for The Ohio State University. The name "Buckeye" came from the Native Americans who noticed the glossy, chestnut-brown seeds with the lighter circular eye resembled the eye of a buck – thus the name Buckeye.

Our feis logo features a Buckeye and leaf inside the outline of the State of Ohio. The colors used in the logo are the colors of our dance school, Scoil Rince Ni Chiara. The Buckeye State Feis logo was designed by Aiden and Jeni Jones, members of the Ni Chiara dance family.

Committee Members

We would like to extend a special thank you to all the committee members who volunteered their time and talents in organizing our inaugural feis. The Committee is most grateful to Muireann and Ben for all their support and guidance as well as their dedication to our children over the years.
